

Sligro Food Group N.V.

PRESS RELEASE

Sligro Food Group has taken note of reports in the market concerning potential interest in EMTÉ. Sligro Food Group receives reports that parties are interested in acquiring EMTÉ, or collaborating with EMTÉ to a greater or lesser degree, on a fairly regular basis.

Sligro Food Group recently received another non-binding, conditional bid for EMTÉ. This is not an opportune moment for bids of this kind, and Sligro Food Group has made this known to interested parties.

Sligro Food Group will present the results of its evaluation of EMTÉ and comment on the future scenarios we are considering on 20 July 2017, as previously announced. As we have stated on numerous occasions, we are keeping all options open, although we would clearly prefer not to dispose of any activities.

Veghel, 6 July 2017

On behalf of the Executive Board of Sligro Food Group N.V.
